SUBJECT: Intercepted Letter from CAPRIFORM to []

1. Attached hereto is a GIS intercept of a letter written by CAPRIFORM to [], apparently in reply to a notification that CAPRIFORM - MOB negotiations had been terminated. The lines beginning "Hier alte Faeden..." are interesting in that they reveal that [] now wishes to undertake tasks for the BIS, for whom he had apparently not worked during his connection with us. Also interesting is CAPRIFORM's offer of collaboration in a projected Ostpressedienst to be established by his wife; and that he has been in touch with German officials in Bonn in preparation for establishing this service.

2. For your information.
